

## Coverall Interior & Exterior Coating

**BEST SELLER!**

Solvent-based protectant that doubles as deodorant while it protects vinyl, rubber and plastic. Wet look lasts for up to 3 weeks on indoor surfaces. Use on trim molding, interiors, tires, metal bumpers, wheels, dashboards and more; not for use on seats. Bulk sizes only for sale in states without Low VOC laws. For Low VOC see E646. Contains Silicone; not for use in body shops.

No	Name	Quality Grade	Size	Qty/Case	Sold By

646-5	Coverall		5 gallon pail	-	Pail
646-30	Coverall		30 gallon drum	-	Drum

## Instant Shine Non-Silicone

An aerosol tire and rubber dressing. Shines and protects against weathering. Silicone free; will not cause "Fish Eyes". Use it to spruce up tires, vinyl interiors, bumpers, bumper guards, body moldings, door jams and engine compartments. Excellent for hard to reach areas.

No	Name	Net Wt	Qty/Case	Sold By
649A	Instant Shine Non-Silicone	11 oz.	12	Each

## Rubber Dressing Non-Silicone

Non-silicone, water based concentrate. Dilute 1 part Rubber Dressing with 1 part water to provide a short term "new look" to tires, mats, rubber bumpers, etc. Will wash off with water. Body shops dilute this product up to 4 parts water to 1 part Rubber Dressing.

No	Name	Size	Qty/Case	Sold By
649-16	Rubber Dressing Non-Silicone	16 oz. bottle	24	Each
649G	Rubber Dressing Non-Silicone	1 gal. bottle	4	Gallon
649-5	Rubber Dressing Non-Silicone <b>Best Seller!</b>	5 gallon pail	-	Pail

## Chewing Gum Remover
