

Big Blue

Enzymatic automatic bowl cleaner

#621

This bio-enzymatic cleaner has redesigned packaging to make it easier to fit in a wide variety of tanks. It lasts for 900 flushes and has increased surfactant concentration so it cleans better than ever. Ultra Big Blue releases billions of beneficial bacterial to consume bio-materials that cause odors, keeping your bowl clean, blue and fresh.

Easy to use

Thanks to it's small size, the Ultra Big Blue fits nearly any toilet tank. No setup or mixing required, just drop it into the tank!

Long lasting

Lasts up to 900 flushes even with it's compact foot print. Your toilet will automatically stay clean thanks to enzymes released with each flush. Increased

Eco-Friendly
