Citro-Fresh granules absorb liquids that collect in the bottom of dumpsters and cause odors. The patented odor-neutralizer freshens the air. Citronella smell repels insects. **12 oz each, 12 per case.**

Repels insects:

Formulated with natural citronella oils that repel flying insects that tend to gather around garbage and trash areas.

Versatile:

Great for dumpsters, trash receptacles, garbage trucks, trash chutes and more.

Eco-friendly:

Formulated with biodegradable corn cobs and natural oils. Citro-Fresh is a DEET-free product.

Ideal for use in hotels, apartments, schools, restaurants, campgrounds, and anywhere waste containers often present odors.
