

DEGREASERS

Mean Green Degreaser

This non-abrasive, biodegradable formula removes grease, grass, ink, coffee, blood, oil and other tough stains. Excellent for removing grease, oil, and sludge from engines, concrete, tires, chrome, wheels, rubber, vinyl, carpets and upholstery. Also works well as a laundry presoak or spot remove.

Neutral Cleaner

A mild cleaner used for nightly mopping on a waxed floor. PH is only 9.2 before dilution. Safe for automobile and truck paint and any surface not harmed by water alone. Strong enough to clean; safer to use in case of incidental hand contact. Dilutes up to 100 to 1. Safe for all types of flooring such as composition floors, glass, painted woodwork, aluminum, stainless steel.
