Half as Much Green Earth Ice Melt

BEST SELLER!

Green Earth Ice Melt requires 30-50% less product to achieve the same results as others reducing its environmental impact. A blend of deicers with a corrosion inhibitor gives it a lower corrosion potential. It also dissolves to a brine faster reducing the amount of product tracked indoors. Call for truckload pricing. Environmentally friendly. No harmful dust to cause breathing irritation. Lower cost compared to calcium chloride and magnesium chloride. Safer than rock salt and calcium chloride on concrete and vegetation. Deices faster without any oily residue. **Effective down to -25 degrees Fahrenheit.**
